## *Papers of the Presiding Bishops*

TO THE EDITOR:

For the past year I have been compiling a bibliography and guide to the location of papers and manuscripts of the Presiding Bishops of the Episcopal Church, 1789–1964. Part of the entry for each bishop will consist of a descriptive list of his papers and manuscripts and their locations.

Thus far most of the logical sources of information have been explored (libraries, archives, diocesan archives, historical societies), and the National Union Catalog of Manuscripts has been searched. Before any traveling is undertaken all possible sources of information by mail are being explored. I should greatly appreciate any information from your readers concerning papers and manuscripts of the Presiding Bishops beginning in 1789 with William White, and continuing with Samuel Seabury, Samuel Provoost, Alexander Viets Griswold, Philander Chase, Thomas Church Brownell, John Henry Hopkins, Benjamin Bosworth Smith, Alfred Lee, John Williams, Thomas March Clark, Daniel Sylvester Tuttle, Alexander Charles Garrett, Ethelbert Talbot, John Gardner Murray, Charles Palmerston Anderson, James DeWolf Perry, Henry St. George Tucker, Henry Knox Sherrill, Arthur Lichtenberger, John Elbridge Hines, the present Presiding Bishop.

Please send all information to me at the Jessie Ball duPont Library, The University of the South, Sewanee, Tenn. 37375.
