Sharron G. Uhler (1995–1998), *Colorado Springs Pioneers Museum*

About the cover: Striking workers gather outside the gate of Atlanta's Exposition Cotton Mill, September 1934. The article by Clifford Kuhn examines the use of archival materials in historical film documentaries, citing the film *The Uprising of '34*, about the 1934 general textile strike, as a model for the creative interaction between film makers and archives.
