## ABOUT THE COVER

---

University librarian Mary Dempsey works surrounded by acquisitions for the new Memorial Library at Marquette University in Milwaukee, Wisconsin, during its construction from 1951 to 1953. The library provided a new home to Marquette's special collections and archives, where incoming *American Archivist* Editor Amy Cooper Cary currently serves as head of the department. *American Archivist* is undergoing a similar transition in its home—in fall 2020, the *American Archivist* website got a brand-new look, and in 2021, *American Archivist* moves to an all-digital environment. Turn the page to learn how to access your subscription to [AmericanArchivist.org](http://AmericanArchivist.org) and read more from Cary and outgoing Editor Cal Lee in "From the Editor."
