About the Cover

Accessioning-themed embroidery art created by guest editor Rachel Searcy. Based on the iconic “Mom Heart” tattoo motif from the American traditional tattoo style, the banner reads “Accession.” Leaves and flowers around the heart symbolize the growth of accessioning practice in recent years, and the bird represents its flight to new heights. Created by hand with needle and thread, this piece demonstrates the craft of accessioning and highlights the labor required to do accessioning work. Read this issue’s Special Section on Accessioning starting on page 10. *Photo courtesy of Rachel Searcy.*
